

# A Wealth of Knowledge

Wednesday  
February 8  
2012

11:45 am  
to  
1:00 pm

Candle Room  
the Atrium  
111 Research Drive

Lunch and refreshments  
will be provided

The session on wealth creation and management will be delivered by Jarrett Goettler, Certified Financial Planner from Investors Group.

The presentation will focus on the following:

Creating a tax efficient pension plan

Converting income into Capital gains through T-Series and corporate class

Creating opportunities for withdrawing from your corporation tax free

Converting mortgage interest into a tax deductible investment expense

Understanding how trust rules can help protect your wealth

Generating guaranteed income for life
